

CANADA VICTORIOUS IN TARIFF WAR

Canada Makes Concessions
Only on Articles Which
Could Not Be Produced
in Dominion.

SPECIAL TO THE NEWS.
Ottawa, Ont., March 30.—While no official statement as to the result of the tariff negotiations at Ottawa, Albany and Washington will be given out until the resumption of the house of commons on Wednesday afternoon, it can be confidently stated that the result is a distinct victory for Canada's contention.

Canada's concessions apply to only thirteen articles of American production which would otherwise be affected by the French treaty.

None of these are articles which could be produced in Canada, and therefore no injury will be done to either Canadian agricultural or manufacturing interests.

SHOCKING FATALITY MARS WEDDING FESTIVITIES

Express Train Strikes a Carriage Killing Three and Fatally Injuring One.

Boston, March 30.—A shocking fatality marred the wedding of Miss Helen R. Fleet of Waverly and Leonard G. Buckley of Reading, which was to have taken place in the First Congregational church at Waverly.

While on the way to the church an express train struck a carriage containing Mr. and Mrs. Charles A. Bryer of Centis Harbor, N. H., at a grade crossing just beyond Waltham, killing Mr. Bryer and E. H. Harlow, the coachman, and inflicting severe injuries upon Mrs. Bryer, who is the bride's sister. It is feared that Mrs. Bryer may not survive.

The crossing tender says that Harlow drove under the gates as he was lowering them and did not hear the warning gong. The locomotive struck the carriage squarely and smashed it to pieces. Harlow was thrown to one side, while Mr. Bryer was carried on the pilot for some distance. Both were instantly killed. Mrs. Bryer had three ribs fractured, one shoulder dislocated and was hurt internally.

The ceremony at the church was postponed, but was performed at the home of the bride's father, George C. Fleet, chairman of the Waverly selectmen.

ADAMS REMAINS IN JAIL WANTED IN AKRON

William Adams, who was shown

mercy by the court and granted parole, after pleading guilty to forging several checks at Massillon, is not yet at liberty.

He is wanted in Akron on a similar charge and an Akron officer was only prevented from taking him to that city through habeas corpus proceedings, under which Adams was returned to jail to await the outcome of that action.

Detective Bert Ackerman of Akron came here Wednesday morning with a warrant from the court of Mayor Sawyer of Akron for Adams, alias William Roberts, charged with having forged a check for \$4.50 in that city nearly six months ago.

Ackerman enlisted the aid of local police and Lieutenant Welland and Detective Ryan were assigned to help him. The officers visited Sheriff Wilson and made their request and then went to the clerk of court's office to await the release of Adams under the parole granted by the court.

Wendell Herbruck, attorney for Adams, heard of what was going on and started habeas corpus proceedings to take Adams away from Ackerman as soon as he was released from the county jail, where he has been a prisoner since last November. Herbruck contended that Adams could not be taken to Akron to answer to a charge of forgery while he was in the custody of the Stark county courts and the state penitentiary officials.

After several conferences in which Judge Bow, Prosecutor Kreichbaum, Ackerman and Sheriff Wilson participated a certificate for the release of Adams was obtained from Clerk of Courts Agler. Adams was released and immediately rearrested in the sheriff's office on the warrant from Mayor Sawyer's court in Akron. He was led back to jail by the turnkey and an agreement between Ackerman and the local officials made whereby the habeas corpus proceedings will be heard by Judge Bow next Monday at 1 p. m.

**LIGHTNING STRIKES TWICE
IN SAME TREE**
The old story that "lightning never strikes twice in the same place," did not hold good in this case. During the thunder and lightning storm Tuesday afternoon lightning struck a large oak tree in front of the residence of Samuel Darr in Edgfield, north of the city.

The tree was silvered and the force of the shock stunned Mrs. Darr, who was in the house, but she was not seriously hurt. The same tree was damaged in like manner several years ago.

Nine years ago, Mrs. William Rice, mother of Mrs. Darr, was killed by lightning at the same home, but the bolt at that time did not affect the tree struck Tuesday.

Washington, March 30.—Today was handshaking day at the White House. At the request of the Maine and Vermont delegations in congress President Taft agreed to receive and shake hands with about 800 visitors from New England, mostly high school students and teachers.

FREE RHEUMATISM CURE

A Home Cure Will Be Given FREE By One Who Had It.

In the spring of 1903 I was attacked by Muscular and Inflammatory Rheumatism. I suffered as only those who have it know, for over three years. I tried many a remedy, and doctor after doctor, but such relief as I received was only temporary. Finally I found a remedy that cured me completely, and it has never returned. I have given it to a number who were terribly afflicted and even bed-ridden with Rheumatism, and it effected a cure in every case.

I will send a free trial of this precious remedy by mail, postpaid to any sufferer who writes for it. Just fill out the coupon below and mail it to me today.

OLNEY'S CONDITION

Boston, March 30.—Friends of Richard Olney, secretary of state under the last Cleveland administration, assert that great exaggeration has characterized the reports as to the nature and extent of the trouble which has led to his temporary return to Corey Hill hospital.

He was subjected to a minor operation about the middle of January in connection with which some work remained to be done and for that he has returned to the hospital, but his progress has been very satisfactory.
